

Birthing The Future®, a Colorado 501c3,
cordially invites you to our *4th Annual Summer
Birth Advocacy Training, September 16th - September 21st!*

Do you feel passionately about birth and its impact on all of society?

Do you want to create a difference in the world by helping create needed social change?
If so, this is for you!

Birthing The Future's Professional Birth Advocate Training Program will train you to be a confident, effective and happy agent of birth-related change at the "community" level where you live... or even nationally or internationally.

5 day, 5 night live-in intensive entails 8 unique components:

- Be supported! We'll show you how to receive the cost of the training from your community rather than paying for it.*
- Cognitive work... the issues and big picture regarding birth, the mother-baby bond and the roots of trust, health and peace.
- Historical & cross-cultural wisdom supported by scientific and practical evidence.
- Business, marketing and prosperity skills for doing "cottage" business for social change.
- Skill-building... how to work with individuals/groups/media and how to grow community and receive the support you need to be the hub of the wheel of change.
- Inner work, group processes and practices designed to enhance your natural talents and address fear and doubt, so you are able to work from your strengths.
- Personal "tool kit" for lifelong self-care and burnout prevention.
- Body-mind-emotions-spirit practices that expand and nurture you and others.

* WE WILL SEND YOU DETAILED INSTRUCTIONS ON HOW TO RAISE THE COST OF YOUR TRAINING + TRAVEL EXPENSES AND PERSONALLY GUIDE YOU THROUGH THE PROCESS.
